1. [Unknown]^1 Ellett* was born Bef. 1730.

Notes for [Unknown] Ellett: Thomas Ellett, William Ellett and Gilbert Ellett are all in earlier generation(s) to one Virginia Ellett family. Gilbert Ellett was mentioned in the 1705 will of Thomas Swann, father-in-law of one Cornelius Dabney (there were several, and one was the brother-in-law of one James Ellett). St. John's Parish of King William Co., VA is the most common location noted in records. The following is quoted and paraphrased from F. Claiborne Johnson, Jr.'s "The Pinder / Ellett Families of Virginia and Georgia and Allied Families", 1988. [Note: King William was created from a part of King and Queen County] Gideon Macon received a patent of 425 acres in St. John's Parish, King & Queen County, April 25, 1701, for the transportation of 9 individuals including Gilbert "Elliott". Nugent, III, p.46 James Edwards received a patent for 854 acres in the same locality the same day for the transportation of 17 individuals, including James "Elliott." Nugent, III, p.48 George Slaughter received a patent for 200 acres in the same locality in October, 1701 for the transportation of four persons, including Richard Ellett. Nugent, III, p.50. A patent was also granted at the same time to one Thomas Ellett, consisting of 57 acres in Pamunkey Neck, "K&J Co." (King and Queen), Nugent III, p. 54. In the spring of 1702, a patent was issued to one Matthew Fowler for 107 acres in Pamunkey Neck for the transportation of 3 people, including "Thomas Elliott and Mary Elliott". Nugent, III, p. 56. Whether this was the same Thomas and Mary who were claimed as headrights by Charles Oaks for his patent of 196 acres in St. John's Parish in King William County in 1712 is not clear. Nugent, III, p. 127. It seems likely they were the same. In all events, it is clear that Thomas and Mary Ellett were in King William County before the year 1700. While very few early King William County records have survived, ... [there is] a document dated 8 Jan. 1697/98, by which one Hannah Hewlett, widow, bound her son Martin Hewlett as an apprentice to Thomas and Mary Ellett. Ryland, Abstracts of King William Record Books, 1702-1795. And there is a 21 Jan. 1705/6 deed by which Thomas Ellett conveys to his son-in-law John White and Mary, his wife, 150 acres out of a tract Thomas Ellett purchased from Capt. Thomas Spencer. Ibid, p. 27. It is not clear whether this is the same Thomas Ellett who took the value of the estate of Charles Blancheveil in Henrico County in 1693. Weisiger, Colonial Wills of Henrico County, 1654-1737 (1977), p. 38. (end of quotes from F. Claiborne Johnson, Jr.) One Thomas Ellett was likely living by 1630-1646. In 1705 Thomas Ellett deeded land in King William County, to his daughter and son-in-law. In 1730 John White and Mary (Ellett) White were living in St. John's Parish, King William County. John was deceased by 1743. St. John's Parish by Malcolm H. Harris pgs 793-4 Vol II Thomas Ellett granted patent Oct 24, 1701 for 151 acres on Pamunkey Neck, King & Queen Co., lying between John's Creek and Acquinton Swamp. Land Patent Book #9, pg 416. Memo: 5 generations Children of [Unknown] Ellett are: + 2 i. [Unknown]^2 Ellett, born Bef. 1750 in poss. Hanover Co., VA or Prince William Co., VA; died in poss. Morgan Co., AL. + 3 ii. John Ellett, born 07 Mar 1766; died 06 Jan 1834. *Generation No. 2 * 

2. [Unknown]^2 Ellett* ([Unknown]^1 ) was born Bef. 1750 in poss. Hanover Co., VA or Prince William Co., VA, and died in poss. Morgan Co., AL. He married *[Unknown]* Bef. 1770. Notes for [Unknown] Ellett: I am not convinced that the John Ellett / Elliott born 6 Nov 1755 is the father of the listed children. The coincidence of residing in Morgan Co., AL (as did William Ellett, listed as his son) does not outweigh the fact that this John never claimed to have resided in Hanover Co., VA. The DAR application of Lucille Baughn Clark submitted in 1993 indicates that John Elliott was the son of William Elliott (Elliott - Ellett) and includes the death date of Jean__, his wife [which is the same date of death as Jean Clark, wife of William Elliott of Augusta Co., VA], and "states in his Revolutionary Pension application (Alabama 26.484), dated June 2, 1834, that he was born on Nov. 6, 1755 in Augusta Co., VA.; that he was living in Guilford County, NC at the time of his enlistment, Feb. 6, 1776 under Capt. George Davidson who belonged to the Regiment commanded by Col. Nash, the brigade by General Moore. Served as a private. He was discharged July 10, 1777; reenlisted Dec. 2, 1777, served nine months, and was discharged Sept. 2, 1778 by Capt. Ramsey. He states that he served in all 2 years and 2
months. He further states that after the war he lived in Kentucky, Tennessee, then Alabama; that he had resided in Morgan Co., Alabama for fifteen years at the time of his application, June 2, 1834. His claim is recorded in Book 6, Vol. 8, p. 45 of War Pension Records. Indications are that John Ellitt died in 1837. Unfortunately, the family of William Elliott and his wife Jean Clark is well documented, and their son John died in May, 1829 in Kentucky, and cannot be confused with this family. References included in the DAR application to support this John and his children include his pension application and: "Lost Links", p. 69 - Family of John Ellett & Wife, VA., Chalkey, "Records of Augusta Co., VA., 1745-1800" Vol. 3, p. 119 & p. 175 includes the wills of William and his wife, who as mentioned above, are not likely this John Ellett's parents. It is possible that the Joseph F. Ellitt that is shown as a son is, in fact, a more distant relative. There is some indication that an Isham Ellett left descendants in Alabama, and that one Joseph Ellett or Joseph Elliott may have married a Winford. Other indications are that descendants of Joseph Fletcher Ellett resided in the 1870's in Rockwall Co., TX in close proximity to descendants of another presumed sibling. "The Ellett ancestors arrived in America from England about 1700, settling in Richmond and Lunenburg Counties, VA." Helen Mattox Crawford, History of Monroe Co., MS. Records, before 1712, indicate several Ellett families in Prince William Co., VA. Richmond County was an ancestor county to Prince William. The children listed are shown as children of John based on proximity in Madison Co., AL of descendants, and on the DAR application cited above, without seeing the source info yet. Other children are indicated. Owen's Crossroads, Alabama is just south of Huntsville, and a few miles east of Morgan Co., AL. Another Virginia Ellett family includes William Ellett and Elizabeth Turner. William's was the son of Thomas Ellett (b c 1726 d bef 18 feb 1799 King William Co., VA) and Judith [Unknown]. They had a son, John, whose family is not accounted for, who may be this man. Tax Records of Hanover Co., VA: 1803 Benjamin Ellett 1803-1815 Elizabeth Ellett 1782 Francis Ellett 1789-1812 John Ellett 1800-1803 Mildred Ellett 1809-1812 Philip Ellett 1782-1800 Robert Ellett 1786-1815 Robert Ellett, Jr. 1801-1802 Sarah Ellett 1812 William R. Ellett From a query on rootsw eb: "White Plains is located in Hanover County, off of Rt. 606 near the New Kent County line. The house was originally built by the Ellett family, and Robert Ellett is thought to be the first owner. His name appears on the 1782 tax list with 600 acres. Cornelius Hamilton Dabney also owned White Plains. In 1873 it was sold to John Solomon Wynn, Georgeanna Wynn and Virginia Wynn. Note that the Wynn / Wynn and Dabney families are associated with Ellett family in different centuries. Notes for [Unknown]: Could her surname be Overton or Winford? These names are used among at least two lines of descendants. Children of [Unknown] Ellett and [Unknown] are: + 4 i. Lucy^3 Ellett, born Aft. 1770. + 5 ii. William Ellett, born Bet. 1771 - 1779 in Hanover Co., VA; died Abt. 1855 in Harrison or Gregg Co., TX. 6 iii. John Ellett, born Bef. 1775. He married Lucy Baker Abt. 1806; born Aft. 1778. She married *Elisha Winn*, son of Daniel Winn and Sarah Tench. He was born Abt. 1750 in Lunenburg Co., VA, and died 1821 in Huntsville, Madison, AL. Notes for Elisha Winn: He may have been known as William Elisha Winn. He was a Rev. Soldier removed from Lunenburg Co, Va to Madison Co, Ala about 1814. Rev service included duty at Valley Forge as a member of the 6th Va. Regiment. Elisha Winn, last payment of pension Certificate No. 12618, Alabama (Huntsville) Agency, covering the period from Sept 4, 1819 to 4 March 1820, was made on 24 Mar 1820 at the Agency Office, State of Alabama to the Pensioner. Co., VA, and died Abt. 1855 in Harrison or Gregg Co., TX. He married *Elizabeth 'Betsy' King* Bef. 1805 in Hanover Co., VA, daughter of Ambrose King and Sarah Chiles. She was born 1783 in poss. Hanover Co., VA, and died Aft. 1850 in Bowie Co., TX. Notes for William Ellett: He may have been born in Lunenburg Co., VA. One proposed father does not indicate that he resided in Virginia after the Revolution, but was born in Augusta Co. and resided in Guilford Co., NC at the time of the war. William Ellett went before 1820 from Hanover Co., VA to Morgan Co., Alabama. In 1838 he sold land to the Methodist Church in Morgan Co., AL. In 1839 he moved from Alabama to the part of Red River Co., TX that became Bowie Co., TX (1850 census in TX). He died or moved from Bowie Co. before the 1860 census. A daughter lived in Harrison Co., TX, near where he is said to be buried. Another William Ellett has indicated on his tombstone that he was born 1804 in Hanover Co., VA and died 1854 in Harrison Co., TX; he is presumed to be a nephew of this man, but the tombstone's dates & places may have caused confusion due to the coincidences. Children of William Ellett and Elizabeth King are: + 21 i. Sarah Ann 'Sally' Ellett, born 10 Aug 1805 in Hanover Co., VA; died 02 May 1854 in Harrison Co., TX. + 22 ii. Alfred Henry Ellett, born 1808 in Hanover Co., VA; died 1878 in Madison Co., AL. + 23 iii. Frances Ellett, born Abt. 1822; died 1843 in Hanover Co., VA. Notes for [Unknown] Ellett: John W. Ellett was in Bowie Co., TX for the 1850 census. 27 vii. John W. Ellett, born 1824 in AL. Notes for John W. Ellett: John Ellett was in Bowie Co., TX for the 1850 census. 28 viii. Henry K. Ellett, born 1825. Notes for Henry K. Ellett: Henry King Ellett? *7. Richard* Ellett* ([Unknown]^2 , [Unknown]^1 ) was born 30 Apr 1777 in Richmond, VA, and died Aft. 1840 in Huntsville, Madison, AL. He married *Keturah Winn* 04 Mar 1801 in Lunenburg Co., VA, daughter of Joseph Winn and Elizabeth Winn. She was born 23 May 1783 in Richmond, VA, and died Aft. 1840 in AL. Notes for Richard Ellett: He was likely living during the 1840 census, living next door to son William Ellett, named as Richard Elliott. 1840 Sumter Co., AL census: Wm. Elliott [sic] Household shows 1 male under 5 (this would be first son, James Richard Ellett); one male 30-40 (William Ellett, age 36) and one female age 20-30 (wife, Kesiah Winston Ellett, age 23). Next door is Richard Elliott [sic] household which shows one male 50-60 (the age doesn't quite match up for what we have on Richard - I have two different dates 1770 or 1777 - you have the latter which would put him at 63 years of age in 1840), 2 females 20-30 (can't comment on this right now, but apparently daughters that had not married at the time) and one female 60-70 (wife Keturah Winn Ellett). Next to Richard is the John J. Dillard family. Kesiah Winston Ellett's sister Nancy Jones Winston was married to John James Dillard. Notes for Keturah Winn: Said to be the cousin of her husband. Children of Richard Ellett and Keturah Winn are: + 29 i. William* Ellett, born 05 Dec 1804 in Hanover Co., VA; died 23 Dec 1854 in Jonesville, Harrison, TX. + 30 ii. Mary Ellett, born 05 Dec 1814 in Madison Co., AL; died 13 Jul 1872 in Huntsville, Madison, AL. + 31 iii. Henrietta Maria Ellett, born 16 Jan 1820 in Huntsville, Madison, AL; died 1897 in Aberdeen, Monroe, MS. + 32 iv. Narcissa Ellett. She married Samuel J. Long 06 Apr 1841 in Sumter Co., AL. Notes for Narcissa Ellett: Richard Ellett gave his consent on the marriage bond. Narcissa and Samuel may have moved to Texas. *8. Joseph Fletcher* Ellett* ([Unknown]^2 , [Unknown]^1 ) was born 1792 in VA, and died 1858 in Huntsville, Madison, AL. He married *Rebecca Baker* 11 Feb 1811 in Hardin Co., KY, daughter of Absalom Baker and Eleanor [Unknown]. She was born 03 Feb 1791 in KY, and died 27 Jul 1872 in New Hope, Madison Co., AL. Notes for Joseph Fletcher Ellett: One Joseph Ellett is said to be a sibling of William and Richard Ellett who resided at one time in Hanover Co., VA and later in Morgan Co., AL. Some they are the sons of John Ellett, Revolutionary War veteran of Morgan Co., AL, and that he had another son named Joseph. Not certain that this Joseph is the right man, though if he is, two Elletts married two Bakers. Descendants do not use the same commonly-used names as the other presumed siblings. Moved from Washington Co., KY to Madison Co., AL in 1820. Children of Joseph Ellett and Rebecca Baker are: 33 i. Jeremiah Vardaman* Ellett, born 1812 in KY; died Oct 1864. He married Winney P. Wright 15 Nov 1851. + 34 ii. Joanna Burton 'Ann' Ellett, born 05 Sep 1813 in KY; died 1897. + 35 iii. William Jackson Ellett, born 12 Nov 1815 in KY; died 23 Apr 1885. 36 iv. Sarah A. Notes for William Ellett: It is not certain that William is the son of Richard Ellett, but he is certainly closely related to Richard's presumed brother William Ellett, as they both resided in Hanover Co., VA and Harrison Co., TX with Alabama in-between. William (the elder)'s family did not list a son, William, though he was married early enough for this William to be his first child. Descendants names include middle names of Overton in both lines, and perhaps that is the surname of the Ellett grandmother. The name of Alfred is also used in both lines. The Dabney family is an ancestor of William's wife Kesiah Winston, and some of her ancestors were also from Hanover Co., VA and Lunenburg Co. The Dabney family is very closely related to another branch of the Ellett family, presumed to be very closely related. Children of William Ellett and Kesiah Winston are: 81 i. James Richard^5 Ellett, born 20 Oct 1838 in Gainesville, Sumpter, AL; died 17 Nov 1857 in Jonesville, Harrison, TX. + 82 ii. Notes for George Matthew Lindsay: George Lindsay was educated as a Lawyer, and was the son of a Judge. He grew up in Bowie Co., TX and was County Clerk of Bowie Co., TX in 1860. He enlisted at Boston, TX in Confederate Army 19 Feb 1862, and from Apr 1862 served 1st Texas Battallion until surrender. He was wounded at Battle of Chickamauga Sep 1863.
